John 1:1-5, 14-16

In the beginning the Word already existed. The Word was with God, and the Word was God. He existed in the beginning with God. God created everything through him, and nothing was created except through him. The Word gave life to everything that was created, and his life brought light to everyone. The light shines in the darkness, and the darkness can never extinguish it. So the Word became human and made his home among us. He was full of unfailing love and faithfulness. And we have seen his glory, the glory of the Father's one and only Son. John testified about him when he shouted to the crowds, "This is the one I was talking about when I said, 'Someone is coming after me who is far greater than I am, for he existed long before me.'" From his abundance we have all received one gracious blessing after another.
